PANELISTS

Dr. Madhu Verma

Chief Economist

World Resources Institute, India

A leading environmental economist and policy analyst in the country with 35+ years of experience across global institutions. She is widely acclaimed for her remarkable work on “economic valuation of ecosystem & green accounting”.

Dr. Dilip Kumar

International Civil Service (UN-FAO);

Rtd. Director/VC – ICAR-CIFE and Advisor AFDC

An internationally distinguished fisheries/aquaculture expert with 45+ years of enriching experience across global organizations. Has significant contribution in integrated fish culture, fish health and “Pond Aquaculture Extension Services” through work on policy and research.

Mr. Shailesh Nagar

Associate Director

NRMC (a subsidiary of Intellectap)

Heading the NBS vertical of NRMC with 25+ years of experience in development sector spanning across NRM, Climate Change, Rural Livelihoods, Local Governance, Gender & Child rights & health. A sought after consultant in PD, Implementation & M&E of Development Programs.

Mr. Anish Kumar

Director

Transforming Rural India Foundation

A renowned expert in designing programs on producer collectives and facilitating participation of small holder farmer in modern value chains. Founder of ‘National Association for FPOs’ and ‘National Smallholder Poultry Dev. Trust’, he wears many feathers in his cap.

PANELISTS

Mr. Samrat Mukherjee
Deputy General Manager
NABARD

Over 20 years of expertise across variety of functions— appraisal, funding, consultancy and monitoring of projects besides credit planning and implementing. Close to grass roots, he steered multiple projects in Natural Resource Management and Climate Change Adaptation.

Mr. Vijay Pratap Singh Aditya
Co-founder, Director and CEO
'ekgaon - One Village One World Network'

Founded the famous initiative 'ekgaon' – a real-time platform for the under-served consumer markets. Using technology & innovation in agri-value-chains, he enables access to rural markets, financial inclusion and enterprise services for farm producers and rural businesses.

MODERATORS

Ms. Bharati Joshi
CEO
Indian Grameen Services (IGS)

Has 20+ years of experience in livelihood sector strategy and program development. Accomplished trainer, implementer and mentor with community institutions, grass-root civil society organisations, facilitating capacity enhancement and improved governance.

Ms. Shweta Bhagwat
Founder
ClayRoot Sustainable Development Foundation

Has 15+ years experience in socio-environmental space across diverse Indian landscapes, focusing on strategy and planning for forest and landscape restoration. She has significant contribution in areas related with ecosystem's economics and community based landscape restoration.
